Definitions:

- ◆ A family consists of one adult or a married couple along with dependent minor children all living in the same household.
- ◆ A couple is any two persons in the same family as described above, such as husband & wife, or parent & child.
- ◆ A junior is someone who is 18 years old or younger on March 1st 2022. A senior is someone who is 60 years old or older on March 1st 2022.

BY APPLYING FOR MEMBERSHIP, YOU AND THOSE INCLUDED ON YOUR MEMBERSHIP AGREE TO ABIDE BY THE FOLLOWING RULES (in addition to those posted):

1. A **trail fee** is typical and reasonable for the privilege of operating your own cart at a course that depends on cart rental for a portion of its income. It is not a license to loan your car out to others, and doing so is strictly prohibited. Unlike many courses, we have allowed and will continue to allow you to carry with you one additional rider, but that rider must either be a member or pay a greens fee if playing golf. If two memberships are sharing one car for both to use in the absence of the other, then a trail fee applies to both memberships. In this case, the trail fee for each is discounted by \$50.00. If you take this discount, write in the name(s) of the other membership(s) that is sharing the cart. Privately owned carts shall have a current "trail fee paid" sticker **visible on both sides** of the car so we can identify unauthorized cars.
2. **Season cart rental** allows use of a car from Rustic Ridge rental fleet under the same agreement as a daily fee renter for the entire season. Includes one additional rider, who, if golfing, must be a member or pay the posted greens fee.
4. **Alcoholic beverages** consumed on a licensed premise (the whole golf course) **must be** purchased from the clubhouse. **This is Iowa Law.** THIS INCLUDES MEMBERS.
3. **Your membership fee**, season cart fee, and/or trail fee are valid for unlimited play during open golf times and includes league play and events organized by Rustic Ridge. Season fees do not include participation in outside organized events.
4. **All members must** check-in at the clubhouse and begin play on the first tee. You may skip holes to play through if you are courteous to others. Do not skip to a tee in front of golfers finishing up a hole without their permission.
5. **Privately owned carts** are not permitted on the course when the course is closed, or closed to carts. When in doubt, call the clubhouse first.
6. **PLEASE** show your season pass to the cashier at check-in. Cashiers cannot be expected to identify all members. If you forget your card, you may show an ID and we can check for your name on the list kept at the check-in counter.

----- Cut here and send the bottom portion with your payment-----
